The aforementioned right to refer to the study is based on the following restrictions

- (i) shall only apply to such products containing exclusively the active substance supplied by LANXESS Deutschland GmbH, and
- (ii) shall not extend to products containing the active substance supplied by third parties, and
- (iii) only pertains to study reports and statements of the active substance, and
- (iv) is not transferable to third parties, and
- (v) is limited to the specific case of the products **Tack-R Green S52** and **Tack-R Green S40** and for the specific use in the specific use in the field of root-resistant bituminous construction materials.

Yours sincerely,

LANXESS Deutschland GmbH
